

TROOP 782 2011 – 2012 ACTIVITY CALENDAR - FALL

It is difficult to put together a calendar for the year that is not going to change. An overnight at Cranbrook; advancement programs at the Detroit Science Center, Corps V swimming program in Dearborn, the campout in April '12; and one or two other features have not been finalized. Unless noted in *The Aerie*, the information on this calendar is correct (but there will always be changes/additions as we go along.) Please read each copy of *The Aerie*. If you're absent for a week or two, you can always obtain a current copy of *The Aerie* on line at <http://www.782bsa.com/> In most instances, permission slips and maps to campouts will also be included on the troop web site for your convenience. Calendar updates will be published and included in the November and February Court of Honor Programs.
